UNIT MEETINGS!!!!

We cannot stress enough the importance of attending your local unit meetings. Now more than ever we need to be united. The company is continuing to lean on the members and the leniency is over. The unit meetings is where we will inform you of what we are hearing from other members and other offices. The more involved you are the better prepared you will be.

TO OUR MEMBERS!!!

For those celebrating Passover or Easter this weekend we wish all of you a happy holiday!!
