OCTOBER 12TH 2018

IN SOLIDARITY

IS NOW OPEN FOR 2019

Your 2019 benefits are now open for review. As usual it is a very simple process if you are going to be here in 2019. If you are happy with what you have now there is no action required on your part. Your 2018 selections will just carry over. If you need to make changes you would need to visit BenefitsConnections to update your selections. You have from October 9th thru October 18th.

DID YOU KNOW THIS

The median income in all of New York State is \$62,909 a year. The company is offering a “BONUS” of \$50,000 to leave a \$70,000 plus job a year. We have a 4 year extension, job security until 2023, and most important of all BENEFITS.

Not only healthcare, we have dependent care reimbursement, and now health and wellness reimbursement. For some this offer truly is a bonus, but for a lot of us this is just a below average offer to give up an above average job.
