## NEW YORK LAW!!!

New York law requires employers to provide employees time off work so that an employee's time off hours combined with his or her off-duty hours provide the employee sufficient time to vote while polls are open. Only two hours of the voting leave must be paid. An employee is considered to have sufficient off-duty time to vote if he or she has four (4) consecutive

off-duty hours to vote while polls are open.

To be eligible for voting leave, an employee must request the leave at least two (2) working days but not more than ten (10) working days before the day of the vote or election.

## NOVEMBER 6TH!!

On November 6th we encourage everyone to get out and vote. This is our time to make our voices heard. It is the time we vote for the candidates that have our best interests in mind and not just party specific. We need to have a more labor friendly administration.
