A MESSAGE FROM YOUR BUSINESS MANAGER

As 2018 winds down I think it's fitting to reflect on all the accomplishments we've made this year. It hasn't been easy, but I truly believe things are improving. If I had to choose one thing I'm most proud of it would be our 4 year contract extension. No strike worries until 2023, that's a pretty big deal. I learned so much by being a part of those negotiations.

2019 will bring more positive changes! Communication is very important to us. With our newsletter, social media, unit meetings in every area and the text blasts we'll be rolling out soon you'll never be out of the loop. I'm also very excited about our new logo design and getting the tee shirts out. Local 2213 is made up of ALL of us, every single member matters. I want to prove that to you on a regular basis.

On behalf of the Stewards, ABM's and Executive Board, Happy Holidays! I'll be back out on the road in January to see you again!

In Solidarity,

Barb
