IBEW T-SHIRTS!!!!!!

You told us you wanted new tee shirts and we listened. Every member in good standing will receive one at no charge! This is the design on the back of the tee shirt. On the front it will say IBEW 2213 in the left chest area. In January we're going to have the stewards get your sizes for the free tee and they'll also have order forms for any extras you'd like to purchase.

It was important to us to come up with a design that represented all of our offices in Upstate NY. We hope you all love it as much as we do!
