## Struggling To Juggle It All?

As of 1/1/19 we've got Short Notice days available again. 4 are paid, 1 is unpaid. 2 can be broken up into segment time and those can be used in half hour increments. You have to put in for segment time before 3pm on Friday if you don't want OT put

on your schedule for the following week. Remember: if you cancel the segment time you'll be responsible to work the mandatory OT. Use your time wisely, it's got to last all year!

If you have any questions regarding your 5 Short Notice or 4 Exempt days please reach out to a steward, we'll be happy to assist you!
