

IBEW 2213 NEWSBEAT

January 3rd 2020

IN SOLIDARITY

Computer Equipment!!!

If the new year finds you moving to a new desk, just a friendly reminder, you are to only move any personal belongings. Please do not move any of your equipment. This includes the PC, monitor, mouse, or keyboard. All of the components are to be moved by a tech in your office. If you need assistance please follow your centers procedure or see a steward for assistance. Also this is an excellent time to request an ergonomic evaluation!!

WEAR RED ON THURSDAYS!!

Health and Wellness!

Excellent news for all of you who made a resolution to get fit in 2020 or who are already staying fit at the gym!! The health and wellness reimbursement will be back for both sessions this year. Be on the lookout for information about applications and deadlines in future newsletters!!
