## WEAR RED ON THURSDAYS!! Steward Spotlight!!

My name is Tom Kirbis and I am from the Lakefront CSSC in Buffalo. I have been a steward now for about 2 or 2.5 years? I swear my memory about the absence plan is better than my memory about how long I've been a steward, just ask me! I grew up in a union family with my dad being a member of IBEW Local 41 and most of my family being electricians. I never truly appreciated unions until after I was at Verizon though and especially during the last strike. I was fortunate enough to have Barb represent me after being disciplined during the strike (and exonerated with a 3 week vacation after everyone went back); she's got a loyal lifer out of me now. I love to help anyone with questions and really invest all my knowledge and effort into defending ANY member.
