It has been a while since we have talked about the monthly Unit meetings! Just a refresher for the entire Unit. It is important for you to make it to your Unit meetings. There are a lot of changes going on with the company and the Union. This is your time to get updated and also get your questions answered!! These meetings are for you the member, take advantage!!

## WEAR RED ON THURSDAYS!!

## Steward Spotlight!!

My name is Marvin Stallworth. I have a number of years with Verizon as a Field Technician and Customer Service Representative. I truly believe in Union participation, which is why I decided to take the leap and become a steward this past year. Fortunately, I never had an experience where I needed Union representation. However having lived through many work stoppage events, I know how vital the Unions play to ensure our members are priority number one. My goal as a Union Steward will be to fight for members and ensure that all are treated fairly and equally. No matter what the circumstance is, members will be able to count on me to be there for them.

IN SOLIDARITY
