

# IBEW 2213 NEWSBEAT

February 7th 2020

IN SOLIDARITY

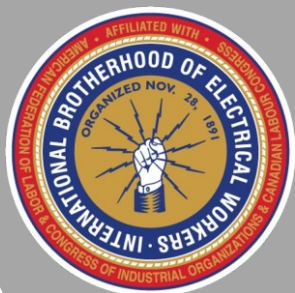

## Your Life and Time Off!!

We have had a lot of questions about absences, FMLA hours, and status of pending absences. Great news there is a tool that is available to us that we can track and see all of this information on our own. On the company home page, under about you, you select “For Me” and you will see Absence Dashboard. In this dashboard you can see past absences and status. You will also see pending absences. It will also tell you how many hours you have worked in regards to applying for FMLA. Take some time to navigate this tool!! As always, if you have questions please reach out to a steward!!

## Barbs Beat!!

This past week your Business Manager, Barb Carson, announced that our local once again will be doing the IBEW 2213 Scholarship. There will be FOUR \$250 awards!! If your dependent applied in the past and did not win, we encourage them to please apply again. We also encourage any new applicants!! The applications must be postmarked by May 31st, 2020. As normal the applications and Q&A will be available on the IBEW2213.org web page.
