Assistant Business Manager

Spotlight!!

Hi, my name is Tammy Torrence and I have been a member of 2213 for 22 years. I became a steward 4 years ago and I was appointed to the position of Assistant Business Manager of the Buffalo CSSC in 2019. Growing up my stepfather and my uncles were all strong dedicated members of their unions, and today my mother is a member of the NTEU union. I was brought up with the understanding of the importance of solidarity and unity.

During the strike of 2016, I became more involved in the fight by going to every rally I could, even as far as NYC. I never missed a picket duty. Watching our current President/Business Manager Barb Carson during the strike showed me the importance of having a strong united union. She was instrumental in encouraging me to take the plunge to join the team after that strike. So I threw my hat in the ring. I knew it would not be easy, but I also knew I was up for the task. In the years that I have been a steward, my goal has been to ensure that the contract is applied fairly and consistently for all members. Since becoming an ABM I have had the distinct privilege of working hand in hand with Barb and the team to ensure we are all treated fairly and with respect. I have also travelled with Barb to each office within the Local and it has been a pleasure meeting and getting to know you all.

I want to leave you with the certainty that we are fighting 24/7 for each and every member and I am always available for support, guidance and even some MUSCLE if necessary.
