June 5th 2020

IN SOLIDARITY

Message From Your Business Manager

I know extending our Work At Home (WAH) agreements has been on everyone's mind, especially now that we're in June. Discussions are continuing, I'll let you know as soon as we have something official to share. I do not want anyone to return to the offices until it's safe to do so. Keeping you all healthy and out of harm's way is my top priority!

Upstate NY has begun to open back up. Many of our areas are in Phase 2. Please remember to follow social distancing recommendations and wear a mask in public. **STAY SAFE!**
