IN SOLIDARITY

In Memory of...

It is with deep sadness that I share the passing of my dear friend and our IBEW Brother Jon (Rory) Kessler. Please join me in sending our sincerest condolences to his wife Geri and daughter Sarah.

In 2008, Rory started his career with Verizon in our Binghamton CSSC. Later, he transferred to the Elmira office. Rory was a great person and a strong union member. He always had a smile on his face, a positive attitude and a generous spirit.

It was impossible not to love Rory. He instantly made friends with everyone he met. He believed in unionism, solidarity and his dedication to Local 2213 was immeasurable. To say he will be greatly missed is an incredible understatement.

Rest in Peace Brother.
