LOCAL 2213 NEWSBEAT !!!

This week the spotlight is on our **Customer Financial Services (CFS)** group. They are located in Kingston, NY. This group is responsible for collecting past due amounts from both consumer and business customers. Although collecting is the major job function, the **CFS** group also handles payment issues that can not be resolved by our Customer Service and Sales Center (CSSC). They have the heavy task of threading a line between compassion and collecting. The **CFS** handles payment refunds, transferring of misapplied payments, and refund delays just to name a few. Mark Martinez is the Union Steward for this group.
