

IBEW 2213 NEWSBEAT

March 5th 2021

IN SOLIDARITY

Eligible employees who received a **StockTogether** grant in 2020 will be notified that the payout will be available in their Fidelity brokerage account in Net-Benefits on **March 9th**. As a reminder this is the account that needs to be activated in order to access the funds.

The 2021 award will be viewable on Net-Benefits on March 31st in the same amounts as 2020- **\$2,500 for members without a pension and \$500 for those that have one.**

Employees who are retirement eligible will receive an additional email regarding tax withholding on their 2020 award. If you have any questions, please reach out to your local stewards

The United States has recognized March as Women's History Month since 1987. This month we will be celebrating some of our union leaders and acknowledging the work they've done over the years for Local 2213.

Let's start with one of my very favorite people, **Alicia Johnson**. Alicia became a steward in 1998. When I took over as ABM of Buffalo in 2012, Alicia was my go to girl from day one. I could always count on her to tell it to me like it is, no sugarcoating anything. She earned my trust immediately. In 2017, I asked her to run for Western Unit Chair (of course she won :) and just this month I recommended her to fill the Recording Secretary opening. The Executive Board voted unanimously to appoint her to the position. She is fiercely loyal to our local and our members. Alicia's big heart, no nonsense approach to everything and strong work ethic make her a great Officer for 2213. I am fortunate to have her on my team, and honored to call her my friend.

Barb Carson
President/Business Manager
