IN SOLIDARITY

ALL New York residents age 16 and up are eligible for the COVID-19 vaccine. The vaccine is free, safe and effective. Check your eligibility and sign up at:

ny.gov/vaccine

Verizon employees who need time off from work to attend their COVID-19 vaccination appointments will be able to request the time they need (**up to 4 hours paid**) to get the first dose and then again request the time they need (**up to 4 hours paid**) for vaccines requiring a second dose. In advance of their scheduled vaccination appointment, employees will work with their supervisors, or resource management teams where applicable, who will make every effort to allow employees to take the time they reasonably request (**up to 4 hours**) to attend their own vaccination appointments, consistent with the needs of the business. Employees who use this time may be asked to provide documentation of their vaccination appointment.

We award **4** scholarships every year to eligible dependents of IBEW 2213 members in good standing. You can find the application and FAQ's on our website: IBEW2213.org

Deadline to apply is 5/31/21. Good Luck!

Monday, **4/12/21 at 7:30pm**. Let Barb know if you'd like the Zoom link. Looking forward to seeing you!
