IN SOLIDARITY

Social Media & Work

Be mindful of who can see your Social Media and who is on your Friends list. Anything & Everything you post can be seen. Once you put it out there, its out there forever for all to see. Think of removing Verizon as your employer and management from contact list.

Work At Home

The current agreement is until 9/30/21.

As was covered in your MID Year review, Its required you continue to work from your designated work location.

Don't be tempted into going to another state to work. It is against Verizon policy to take their equipment from your home to any other location, without Verizon's permission. Remember, routers **ALWAYS** tell the truth of where you connect to the Internet.

WEINGARTEN RIGHTS

The following is to be read if you believe discipline could result... I believe this discussion could lead to my being disciplined. I therefore request that my Union Rep or Officer be present to assist me at the meeting. I further request reasonable time to consult with my Union Rep regarding the subject & purpose of the meeting. Please consider this a continuing request; without representation I shall not participate in the discussion. I shall not consent to any searches or test affecting my person, property, or effects without first consulting with my Union Rep.
