DON'T MISS THE UNIT MEETINGS

UNIT Meetings are your time to ask questions and get the latest information & updates from the President/Business Manager of IBEW 2213. This cuts out the rumors and the he say/she say that is going around. It takes Verizon out of our Union talks and allows for Union business to take place.

You can get up to **\$100** reimbursement for Defensive Driving courses for you & your dependents. These programs can reduce your auto insurance cost & reduce points on your license.
