The 2022 Open Enrollment is in October. Please make sure to update your dependent (s) information accordingly. If you are getting the \$100 Health Assessment credit currently, **IT WILL NOT ROLL OVER!!!** In order to receive the \$100 credit in 2022 you must retake the Health Assessment this year.

### UNIT MEETING 9/13

Get your questions ready and be part of a great Zoom Meeting. See many of your co-workers, catch up and learn about what is happening.

**MEETING NOTICE!**

**WE ARE AIMING FOR 100 MEMBERS TO BE ON THIS CALL!!! Please be involved.**

The spotlight seems to be on Productivity. Make sure you are coding yourself correctly, especially if you are having system issues. If you are having any other issues, be sure to reach out to your manager.

On the flip side, don't work for free. By logging in 5 minutes early, you are giving away over 20 hours of OT or a little more than \$1300.

**WE DO NOT WORK FOR FREE!!!**
