

## **April President/Business Manager's Report Barbara Carson**

There isn't much to report this month as I was on vacation.

As April 30th nears, I know there are questions regarding extending our current WAH agreement. As I've said from day one of this pandemic, keeping you out of harm's way is my top priority. I do not want anyone to return to the offices until it is safe to do so. As soon as I have new information to relay, I'll get it out to you immediately. Please be sure to let me know if any of your contact information changes so you don't miss our text email or newsletters! Since we aren't together in the offices this is the only way to stay connected and united.

In Solidarity,

Barb
