

February

President/Business Manager's Report

Barbara Carson

On January 29, I attended the CSSC 2021 Kickoff, and on February 17, I was invited to join Kingston's virtual meeting for CFS. It was nice to hear our members being recognized for their hard work. 2020 was a difficult year to say the very least and Local 2213 shined! When the whole world turned upside down we powered through. We switched gears with flexibility and a work ethic second to none. We proved, beyond a shadow of a doubt, that no one can do our jobs better than we can!

Our February 11 Union meeting was well attended, it was great to see everyone! Please make a point to pop in every month, our strength is in our UNITY!

The 2021 Scholarship will be awarded in June. We choose 4 winners every year. The application is on our website: www.IBEW2213.org If you have a college student, make sure they apply by 5/31. Good luck!

With vaccinations becoming available and COVID-19 numbers finally going down a little, I feel like there is hope that we are moving past this nightmare. Soon we'll be able to see friends and family that we have missed over the past year. There is light at the end of the tunnel, but we aren't at the finish line yet. So for now we need to stay the course. Keep practicing social distancing, wash your hands and above all else - WEAR YOUR MASK! Nothing is more important than the safety of you and your family.

In Solidarity,

Barb
