

January President/Business Manager's Report Barbara Carson

Our Work At Home agreement is set to expire at the end of this month. I am currently in talks to extend it. As soon as I have more information I will get it out to all of our members. As I've said from day one of this pandemic, I do not want anyone to return to the office until it is safe to do so. Your health and well-being are my top priority.

We are continuing to hold our union meetings via Zoom, please join us. It's the best way to get your questions or concerns addressed. Our strength is in our UNITY!

There's light at the end of the tunnel, the COVID-19 vaccination is becoming available to certain groups and hopefully soon all of us will be eligible to get it. I am hopeful that we'll be able to see our family, friends and loved ones again in the near future. In the meantime, stay the course. We've come this far, we can do it! Continue to wear a mask, social distance and be safe.

In Solidarity,

Barb
