

July President/Business Manager's Report Barbara Carson

Due to a family emergency, I've taken several days off this month. Thank you Tammy and Anita for filling in for me. We've had to reschedule quite a bit so August will be busy! I don't have a Work at Home update at this time, both the Union and the Company have committed to continuing discussions. I think this is very positive and hopefully I'll have info to share before our current agreement expires on 9/30.

In Solidarity,

Barb
