

## **March President/Business Manager's Report Barbara Carson**

On February 24 we had a Work Issues Committee meeting. Immediately after, I heard 3rd step Grievances.

On March 1 we held our Local Union meeting and discussed the NYSSL policy.

On March 9 the Audit Committee met to review our Local's expenditures. There were no errors found.

March 16-18 I attended the IBEW BMT meeting via Zoom.

Our current Work At Home agreement expires on 4/30. As I've said from the beginning, I do not want anyone to return to the offices until it is safe to do so. I will keep you posted on any developments.

In Solidarity,

Barb
