

May President/Business Manager's Report Barbara Carson

On May 10 we held our Local's Union meeting. Many of you had questions about Work At Home, returning to offices and the length of the current extension. It is important to keep the lines of communication open and I will share any new information with you as soon as possible. Our current agreement expires on 5/31, we are in discussion to extend again, As I've said all along, I do not want anyone to return to the call centers until it is safe to do so.

On May 13 I attended the NY/NE Regional Work and Family Committee meeting. We made some big changes. I sent an email to the membership going over all of the great benefits available to you. I hope you're taking advantage of these UNION negotiated reimbursements!
