Vaccination Status

There are still members who have not responded. The response date to declare vaccination status was due by January 4th. If you have not done so, PLEASE declare status ASAP. **You need to reply regardless of your vaccination status.** If you do not declare status, the next step is being placed on Non-Paid Leave.

The Federal Mandate that applies to federal contractors, including Verizon continues to be temporarily blocked by a federal appeals court for now. The temporary block only applies to the portion that states “being fully vaccinated” and not the portion that states declaring your status.
