

January/February President/Business Manager's Report Barbara Carson

On January 27 I attended the quarterly Advisory Committee on Health Care meeting. January 28 was our Upstate Tier 1 Safety meeting. February 4 was the CSSC's 2022 kickoff meeting and on February 9 I was invited to the BSBC's. Also on February 9 I listened in on an EAP presentation for our Large Business Group. I was incredibly impressed and I've asked all lines of business to share this in their areas. On February 15 we held the Work Issues Committee meeting.

In Solidarity,

Barb
