IN SOLIDARITY

Restricted Stock Unit (RSU) Grant

In January 2018, our President/Business Manager Barb Carson signed the RSU Grant agreement with Verizon. Here is the best way to explain the process:

In 2021 once again we were granted \$2500 or \$500 (depending on whether or not you have a pension). That amount vested on 3/2/22. It will be payable over **THREE YEARS**; 2022, 2023 and 2024. Payout date will be March 29th, and viewable in NetBenefits on March 31st.

You can request a check, send an electronic funds transfer or you can reinvest the money in your Fidelity brokerage account by going to NetBenefits.com/Verizon.

If you have any questions, please reach out to your Local steward and they will be happy to assist you!

Our next union meeting will be **April 4th at 7:30pm**. Be on the lookout for Barb's email.

CONTRACT EXPIRES IN 498 DAYS!!!
