IN SOLIDARITY

UNION MEETING UPDATE

Monday night was packed full of the WHYs & HOWs of Union Issues. Our Business Manager Barb Carson explained WHY we don't take SOLD TIME. It shows the company that we are willing to leave money on the table! Last month we were told that the **CSSC SAVED OVER \$250,000 with SOLD TIME in 2021.** This shows Verizon that they don't need as many of us. Don't leave. Sit back & relax, stand up & stretch, ask for training or additional callback/closed time. Instead of taking SOLD TIME ask for a couple of hours of appointment time.

With nearly 250 members, we only had 65 on the Union Meeting Call. Our strength is in our **UNITY!!!** We need to keep our **SOLIDARITY** strong, even more so while we are working at home. Please continue to join and invite others as well, stress that we need all hands on deck, as the contract expires next year.

Its that time of the year again...**FREE MONEY!!!**
We are awarding 4 scholarships to eligible dependents of IBEW 2213 Members in good standing. Don't miss out this year. You can find the application & FAQs on our website: IBEW2213.org. **Must be postmarked by 5/31/22**

CONTRACT EXPIRES IN 484 DAYS!!!
