MARCH PRESIDENT/BUSINESS MANAGER REPORT

Work At Home has been extended through 6/4/22. As discussions continue regarding a post Covid arrangement I will keep you updated.

On 3/2/22 I attended the 3rd District Veterans Committee meeting in Albany with our VP, Tammy Torrence.

March 7-10th the IBEW Broadcasting, Manufacturing and Telecom Conference was held in San Antonio, TX. This was my first trip since Covid-19 hit. It was great to interact with people face to face again.

Do you have a dependent attending college next year? If so, please have them apply for our Scholarship. I emailed the application to our members but it can also be found on our website. We will choose the winners at our June Executive Board meeting.

Make sure you check out our social media pages and read our weekly newsletter for updates from our Local. Stay informed!!!

In Solidarity,

Barb
