IN SOLIDARITY

To our Buffalo Members

It's a struggle to find the right words to say, there just aren't any. What happened is absolutely heartbreaking. I honestly don't know what to say but please know I am thinking of you all, praying for your families & the Buffalo community.

Barb Carson

In order to stay the course, we must ensure we are taking care of our mental health. May is Mental Health Awareness Month and during times like these, we must be fully aware of the status of our mental health. If you need assistance, to discuss recent events or other challenges, know there are resources available. Verizon's Employee Assistance Program (EAP) is confidential and available to you and the members of your household to provide resources and solutions to life's challenges. EAP is available 24 hours a day, 7 days a week. by calling them directly at 1-888-441-8674.

Please take care of yourselves and each other.

Remember, this week President/Business Manager Barb Carson will be at the table representing Local 2213 on contract extension talks.
