IN SOLIDARITY

President/Business Manager Barb Carson is still at the table representing our Local 2213 at the extension talks. As you know, IBEW and CWA have been negotiating with Verizon since May 16, 2022 to determine whether it's possible to agree on the terms of a contract extension. These negotiations were planned for a limited time frame. However we have mutually agreed to continue bargaining through this week in an attempt to reach an agreement. We will keep you posted on further developments. Stay tuned, we're still working on it. In the meantime, please ignore everything you read online, it's purely rumor and speculation.
