IN SOLIDARITY

We are happy to announce that an agreement in principle to extend the contract has been reached. As of right now, the official document is still under review and Barb hasn't signed it yet.

If this extension didn't benefit you, our Business Manager wouldn't put her name on it. Barb Carson was faced with the difficult task of delivering what we all asked for (WAH) while still protecting us. It was an exhausting battle that lasted 6 long weeks, but she is confident the results are well worth it. We are proud of the work that was done.

Hopefully you've been reading the email updates and saw the comprehensive summary. We didn't get everything we asked for, but we didn't give up anything - **That's a win in our book.**

Now that the hard part is over, Barb did the heavy lifting, here comes the easy part—**YOU!!!**

We all must do our part and Ratify the Contract.

WE NEED EVERYONE TO COME OUT & VOTE!!!

Our STRENGTH is in our UNITY!!! We need to keep our SOLIDARITY STRONG... ONE for ALL and ALL for ONE

**CONTRACT EXPIRES
IN 393 DAYS!!!**
