

IBEW 2213 NEWSBEAT

October 7th 2022

IN SOLIDARITY

Open enrollment for 2023 is happening now! You have until October 13th to make your selections. Please be sure to make time to review your options and don't forget to take the health assessment.

Union Meeting

This **Tuesday October 11th** is our next Union Meeting. This is where you can get your questions answered and discuss any concerns that you may have.

While working from home your rights remain the same. If you find yourself in a discussion with management that you feel could lead to you being disciplined or affect your personal working conditions, you have the right to Union Representation. Reach out to a steward!
