

It's finally done! After working on it for nearly a year, the NY/NE Regional Work and Family Committee ironed out the details for the College Book Reimbursement. I'm very excited about this program and proud to have played a part in getting it rolled out to you. My goal is for the committee to benefit as many members as possible and we've got a diverse selection of programs to fit your needs.

I recently signed an agreement to bring new work to our Collection Financial Services group in Kingston. They'll be handling Credit Verification applications for new wireline consumer service for several states. It's my job to protect your jobs and this brings us some added security.

Don't forget to do your Wellness Activity before the end of the year to get the insurance discount. There are 5 choices, you only have to do one!

From my family to yours, HAPPY THANKSGIVING!

In Solidarity,

Barb
